THAT'S ALL!

PLEASE NOTE: We no longer offer the re-chroming service for plastic parts.

## FRONT ARM REST BASES

### NEW LOWER PRICE!

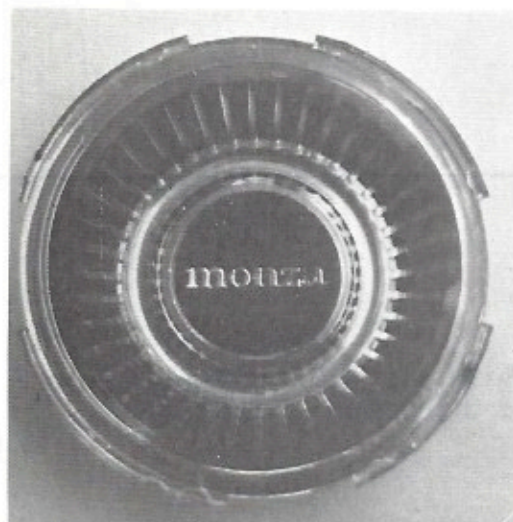

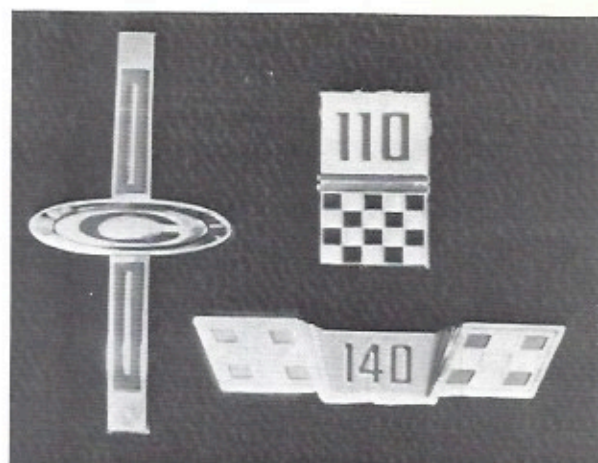

Due to our increased buying power, we've been able to buy direct from GM's manufacturer and lower the price on these 1960 - 1964 front arm rest bases. This is NOT a temporary sale price, but our new regular price.

A095-1 Bases. \$29.95 pr.

### NEW EMBLEMS - NEW LOWER PRICES!

We've just added the 1966-69 "110" deck lid emblem to our inventory. It, too, is made by GM's original supplier from the original tooling and is show quality. Thanks again to our increased buying power we are able to introduce this new emblem at a low price of just \$7.95 and lower the "140" emblem and Corsa "C" emblem to the same low price. Mix or match any two emblems for just \$15.00.

CR175-9	65-66	Corsa "C" emblem.	7.95
CR175-15	66-69	"110" emblem.	7.95
CR175-40	66-69	"140" emblem.	7.95

### BRAND NEW!

"ACP" has located the original supplier of the 1964 "Monza" wheel cover insert and will have them in stock on or about August 15, 1981. They are made from GM's original molds and are identical to the original. As with all "ACP" reproductions, your satisfaction is guaranteed.

CR285-5	64	"Monza" insert.	10.00 ea.
C285-9	64	Full wheel cover.	27.50 ea.

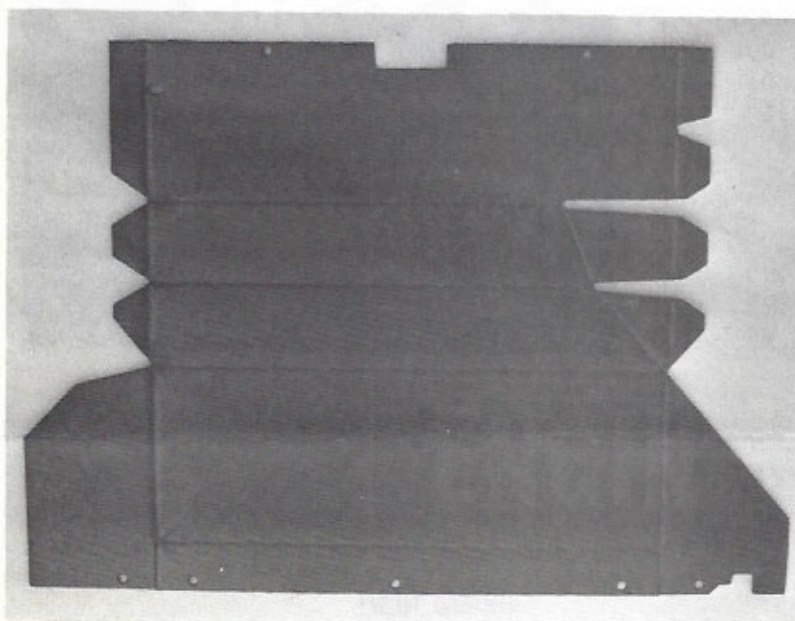

# ENGINE SEALS

## P770 ENGINE SEALS.

"ACP" has located a supplier of the early engine seal material. It is identical to the material GM sells but it's a LOT cheaper - cheaper in price, but not in quality. We now offer these early engine seals in kits of 4 pieces, or in single pieces. Either way, they're identical to what GM sells.

PR770-3	60-64	Engine seal kit. 4 strips. (GM List: \$41.60).	21.95
PR770-4	60-64	Engine seal. One strip. (GM List: \$10.40).	6.00

# GLOVE BOX

## 1961-1964 GLOVE BOX

"ACP" does it again! Another top quality reproduction. These 1961-1964 glove compartment boxes are professionally die-cut just like the GM originals. All you have to do is fold, staple and install. As always, your satisfaction is guaranteed.

PR410-6	Glove Box.	\$7.95
---------	------------	--------

## P980 WINDSHIELD WASHER PARTS.

P980-20	60-69	Windshield washer resevoir. White plastic rectangular shaped container that holds the diluted windshield washing solution.
---------	-------	--

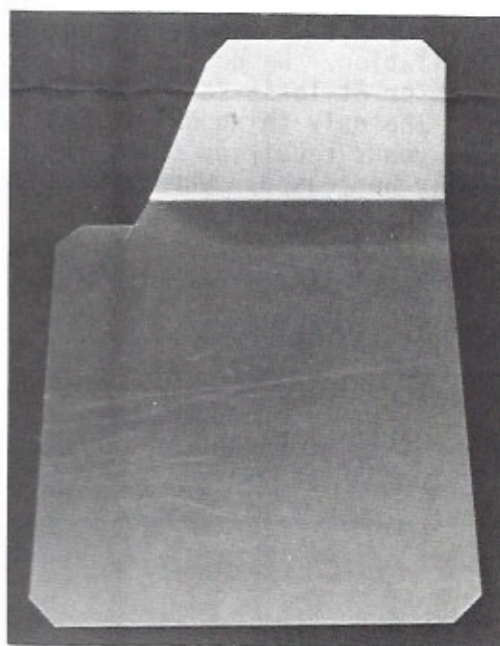

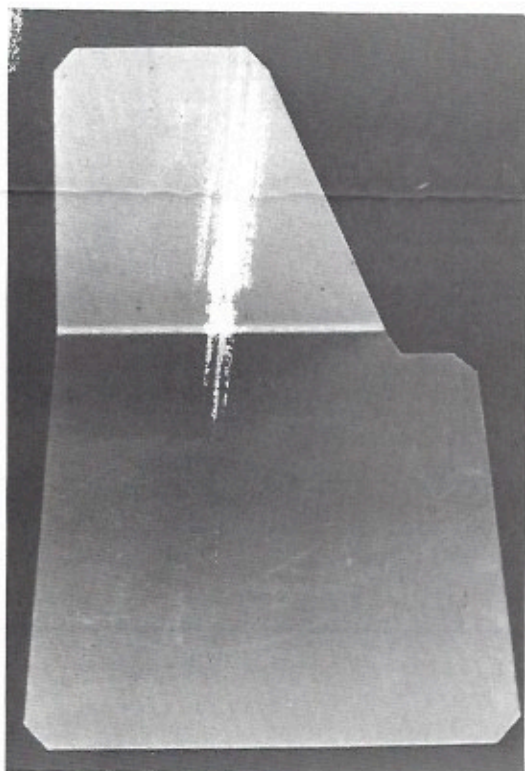

5.00

## STEEL PATCH PANELS

Floorboards rusted? No problem! "ACP" now has STEEL patch panels for the floorboards. These are good heavy gauge steel that can be welded in the floor area of any 1960-69 Corvair car. The driver's side measures 19" wide, 20" deep and extends 13" up the firewall. The passenger side measures 17" wide, 20" deep and extends 7" up the firewall. Due to the weight of these panels please include \$5.00 additional shipping.

PR780-43	60-69	Floor pan repair panels. Pairs only.	\$35.00 pr.
----------	-------	--------------------------------------	-------------

### TURBO TAIL PIPE REPLACEMENT

We have found a very good replacement tail pipe for the 1962 - 1964 Turbocharged models. It is about one inch shorter than the original, but otherwise is very similar to the GM pipe. It has an excellent quality chrome finish and will serve as a very functional part. Please note: this is a replacement part - it is not meant to be an exact reproduction of the original. For original GM pipes, please see #P660-9 in our main catalog. We still have a few left.

PR660-9	62-64	Turbo tail pipe replacement.	12.50
---------	-------	------------------------------	-------

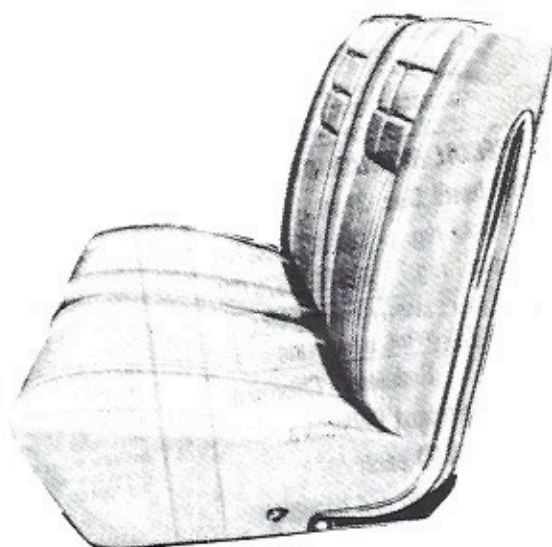

PR798-7	60-64	Idler arm. Non-GM. (GM List: 32.00).	17.95
---------	-------	--------------------------------------	-------

# CORVAIR SEAT UPHOLSTERY

## EXACT COLOR, GRAIN & DESIGN

Just the way it came from the factory

Corvaire seat upholstery kits are now available for 1960 - 1966 models with vinyl interiors. Only top quality vinyl is used with the correct heat-pressed inserts for each year. All vinyls are the correct grain and colors for each particular year. Each concours quality kit includes covers for both front buckets, complete rear seat and enough hog rings for installation. We do suggest professional installation or at least some help from a professional trimmer. The only thing NOT included are buttons for those years requiring them, but the old ones can usually be reused. When ordering, please specify YEAR - MODEL - COLOR.

SEAT UPHOLSTERY KIT . . . . .	\$389.00
FRONT BUCKET ONLY . . . . .	\$150.00
2 FRONT BUCKETS ONLY . . . . .	\$275.00

PLEASE NOTE: We cannot guarantee color matches when you purchase only a portion of a kit. This is due to the difference in age of the old seats and the new one(s) and difference in dye lots of the vinyl.

Seat upholstery kits and all our "ACP" quality reproductions are also available from:
